Jilted girlfriend wreaks her revenge

A jilted ex-girlfriend has got the perfect revenge on a former lover by giving his beloved BMW car away – for free – after he was caught cheating in it.

Posting the advert in the freebies section of popular UK classified site Gumtree.com, the ex invited people to come and collect the car as she sought to payback her cheating ex-boyfriend.

Sophy Silver of Gumtree.com said "The freebies section of the website is proving extremely popular for people to give unwanted things away and proved to be the perfect place for this women to get her own back on her former partner by giving away his car. This is the first time we have seen this happen on the site, but we are sure it won't be the last."

The car has now been given away to someone who has promised to auction it off and give the proceeds to charity.
